2018 SESSIONS

Students learn through hands-on experience how the Legislative, Executive and Judicial branches work together to govern our state. They work with their legislators on local community projects, study filed bills, observe legislative sessions and practice government in committee simulation and a mock legislative session. Students who have previously attended Alaska Close Up are eligible to return as Government Interns, where they job shadow in various government offices.

1 FEBRUARY 11-16, 2018

2 FEBRUARY 25-MARCH 2, 2018

SOME STUDENTS MAY QUALIFY FOR \$400 TUITION REIMBURSEMENT
